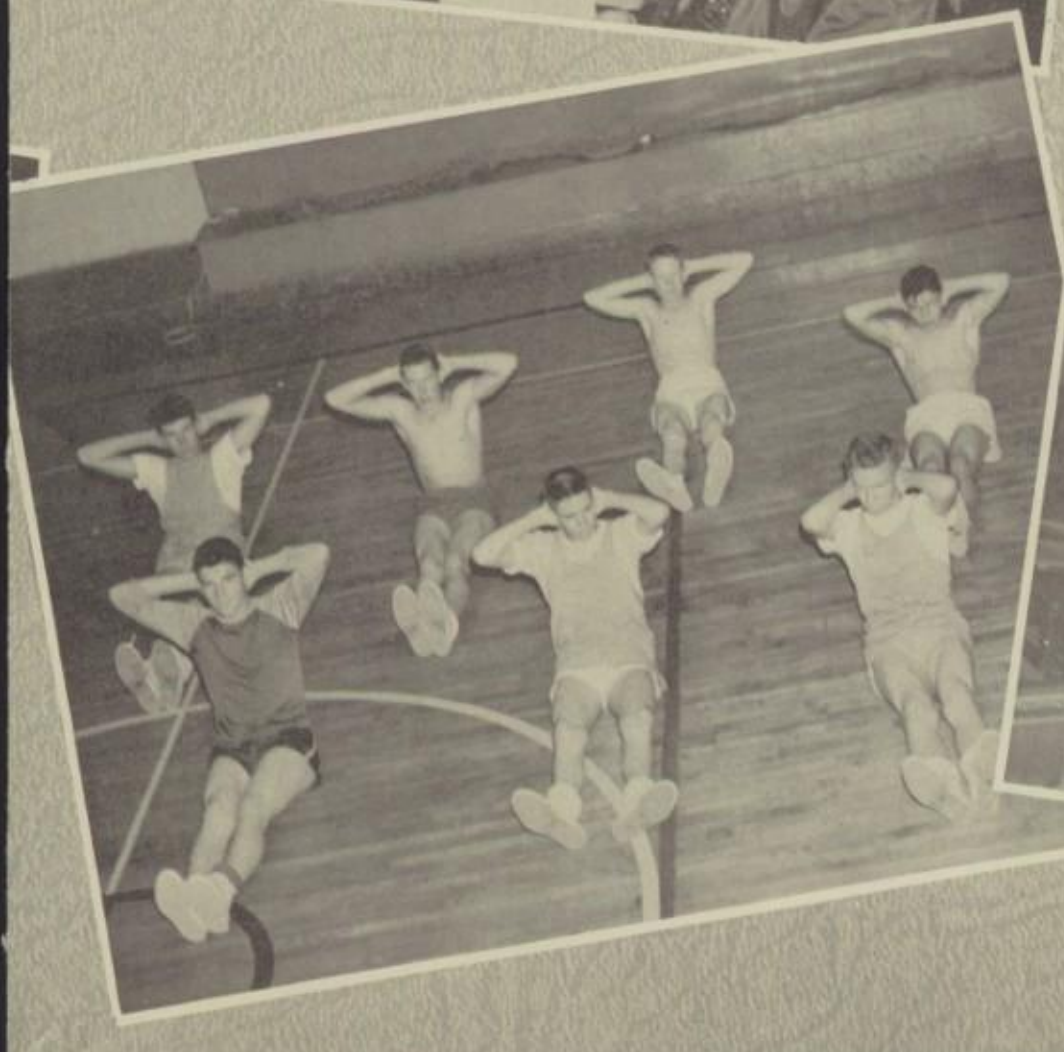
Betty McClung



Betty-

Gee, doesn't seem possible to be seniors this year. I've really had a lot of fun with you and enjoyed the slumber parties. I hope you'll have the best of everything always! Have fun next year at A. & M. & maybe I'll be there to enjoy it with you. Love ya Lots,

Hazel

Dear Betty

Although it's going to be hard to say goodbye to Gradgate, the last few years spent here will always remain in my memory as the happiest times of my life. I will always look back on the wonderful times we've had together & hope we can be that way always. I'll never forget the slumber parties we had & the fun we had at the football games. I hope you will have the best of everything in the future & that you will be happy in all your undertakings. I hope all your dreams come true. Good luck.

Love ya,
Betty

Betty -

I'm sorry I haven't written for the last 3 years but I've been busy. I've been going with my dearest friend. I've enjoyed those times we've had together & I hope we can have many more. We've had a swell time during the summer & I look forward to the coming year. I won't be able to be there for the beginning of school but I'll be there as soon as I can. I hope you will have a wonderful year & that all your dreams will come true. I'll be thinking of you & wishing you the best of luck.

Love ya,
Babe

P.S. I'll be there by the 1st Monday in Oct. 1950 for sure.

The student body and faculty members of Alva High are indebted to the Annual Staff and faculty advisors for this very fine publication THE GOLDBUG ANNUAL. In Future years it will become more valuable to each one of us; serving as a key which will help us to remember the endearing life long friendships that were made during our high school days.

"One of the purposes of a yearbook in high school is to portray in pictures and words, classmates, teachers, organizations and activities of your school. This issue cleverly accomplishes that purpose.

"In the future, as you review the pages of the 1952 Goldbug, you will recall many happy moments spent in Alva High.

"The Annual Staff and their Sponsors are to be commended on the fine presentation of school life and activities of Alva High School."

The Student Council of Alva High School is a representative democracy at work. Representatives are elected by the high school classes and organizations for the Student Council. These nineteen representatives in turn elect the officers for the Student Council. Throughout the year the Student Council strives to serve the needs of the individual students and the best interests of the school. Each representative feels it an honor to be elected a member in the Student Council, and each strives to render a real service in this capacity.

The Student Council sponsored Parent Visitation Day on November 15, as a part of American Education Week. Parents and students responded to make it a success. The freshman class had the highest per cent of visitation, with the sophomore class second.

Devotions for assembly throughout the year were effectively given under the guidance of Student Council members.

The State Student Council meeting was held in Stillwater, December 7 and 8.

The year's activities were under the leadership of Betty Middaugh, President; Kenneth Dimmick, Vice-President; and Betty Arthur, Secretary-Treasurer.

Sponsors are Edna Donley, Robert Manning, and Fay Duke.

# Y-TEENS

"To build a fellowship of women and girls to the task of realizing in our common life those ideals of personal and social living to which we are committed by our faith as Christians," is the ideal and purpose of a Y-Teen.

Each year the group sponsors several projects for the local and international programs. The girls joined with other Y-Teens in The Chocolates for Christmas which includes fifteen or more European and Asiatic countries. Two boxes including two hundred-fifty bars of chocolates were sent to organizations in the German American Zone.

The activities include the "all school mixer" the first week of school, the informal dance for the boy friends and the party for the senior girls. This year the group attended the first "All State Rally" at Camp Ione and presented the devotions. To help improve the organization two girls are sent to Camp Parthenia each summer for training in Y-Teen work.

The organization of the Future Homemakers of America has a membership of seventy-seven girls. The motto of F. H. A., "Toward New Horizons," expresses the purpose of the organization learning to live better today in order that our lives and those of our families may be better tomorrow. Its official colors are red and white with the red rose as the flower.

F. H. A. carries out several projects each year. This year the girls have taken part in two national projects. Two boxes were sent to the World Christmas Festival and the chapter sponsored a campaign to collect funds to aid in building the "Freedom" fountain in front of the U. N. building.

Our local project this year was to buy paint for the Homemaking Department.

At the weiner roast in September all of the girls interested in joining F. H. A. were entertained. In November the initiation of new members was held during F. H. A. Week. In January a boy-girl party was featured. The Family Fun Night was one of the highlights in the spring. The senior members were entertained at a luncheon in May and a tea was given for the eighth graders.

The officers attended the Sub-District meeting at Shattuck and thirty-five members attended the State Rally at Oklahoma City in March.

Donna Jo Bradley was elected Reporter and Historian of Sub-District 1 Northern District.

Fifty-four boys are enrolled in vocational agriculture this year. These boys are making full use of the new vocational agriculture building by developing skills in farm shop which include welding, carpentry, metals, mechanics, and electricity. In the laboratory the boys study the testing of soils, milk for butterfat, seed for germination, seed selection, and the quality of farm products.

Farm training would not be complete without projects on the home farms of the boys. All boys are engaged in the business of productive farming in enterprises of beef, swine, sheep, poultry, wheat, grain sorghums, oats, and legumes. They also carry out projects of improving the home, soil, crop and livestock enterprises on the farm.

The local F. F. A. organization is fully organized and has a full program of work and a calendar of events. They won first on their exhibit at the County Fair, tenth on collective exhibit at the State Fair, first in junior judging in livestock at the County Fair, and prepared a float for the homecoming parade. Fifteen members cooperated in buying certified seed wheat. The F. F. A. Chapter planted a small grains testing demonstration plot and have seven acres of wheat of their own. F. F. A. Chapter members have landscaped the Vocational Agriculture Building. Mr. Bloyd presented them with another F. F. A. Studebaker truck.

Over 40 students participated in speech activities in Alva High this year. Eliminations were held in various individual events with outside judges, and those ranking highest were entered in contests. Three one-act plays and three radio plays were used for contests.

Debating was again revived, with three teams. The national question was used; Resolved: That all American citizens should be subject to universal conscription in time of war.

Alva High attended three speech meets: N.S.C. on February 29, March 1; Goodwell, March 7,8; and the N.W. Intact Meet held at Buffalo, March 17. Those qualifying for State went to Norman on April 24,25.

In addition to contest material, the speech students made many public appearances.

Speech letters and debate letters were awarded to those meeting letter requirements.

All speech activities in Alva High School are under the direction of Edna Donley.

Dear Betty,
I really have enjoyed being a school mate of yours, and I want to wish you all the happiness and success that you will need thru out life,
{4/1/52}
Always a friend

Betty: Live
Known you several
Years, and have enjoyed
Always knowing you. You've
Been a swell friend
To all the swell times
We've had together and
All the time we've been
happy - Remember me!
Jeannie

Dear Betty,
Here's the best of luck to one of the swellest gals I have ever known. Betty- I have always liked you and could tell you all my troubles and I was sure you could understand and more. Best of good wishes to you as you go thru life.
Love
Jo Ann

Dear Betty,
Since I'm not a poet like Augie or a sentimentalist like Betty, I am going to wish you whatever is more good luck in whatever you try from here on in, cause that's what counts most.
